100 of Years Scouting in Wokingham

Fri 28th May - Mon 31st May 2010

Ellis Farm - Arborfield

WE NEED PARENT HELPERS (with CRB)

In order to make this event possible we need your help!

A number of our Leaders will be actively running activities at this camp. This means we need some more people back at the 1st Base.

Our primary need is for adults to **help** prepare and cook meals.

You will always have an experienced Leader with you and will be given details of what you will be cooking in advance. We need 16 people who would be happy to help with 1 meal!

To volunteer then ring:
